

Hawley Winterfest 2011

Let's put more "Winter" in Winterfest!

The Downtown Hawley Partnership in adding more "Winter" to the "Winterfest" by placing sculptures and conducting live ice carving demonstrations during the Winterfest weekend. Sculpted Ice Works would like to help to attract more visitors to the downtown for this special weekend. Ice Sculpting has been a part of Winterfest for many years and it is a vital part of winter festivals all over the North East, entertaining thousands each winter.

Pre-carved sculptures would be placed out on display Friday night (weather depending) or Saturday morning. Demonstrations would be scheduled and advertised as another attraction.

An online listing of sculpture locations with a schedule of live carvings would be placed at participating area businesses as well as at the Visitors Center.

Sculpted Ice Works will coordinate design selection directly with sponsoring business.

I would like to support the Downtown Hawley Partnership's Hawley Winterfest 2011.
(Please select ice sculpture option below)

- Single block pre-carved ice sculpture: 185.00. Each additional block added is 165.00 per block
- On site ice carving demonstration: 470.00. (one two block sculpture or two separate one block sculptures)
(Blocks are 300#s and are 40" tall x 20" – Sculptures will be displayed on an additional ice base of @20")
